

SACAI Registered Distance Education Providers:

Distance Education Providers (including repeater centres) that offer the NSC qualification to distance learners in the FET Phase (Grades 10 – 12).

What is a Distance Education Provider?

Distance Education Providers (DEP) are Institutions other than schools that register learners for the NSC qualification (Grades 10-12) via distance (Home) education. The DEP provides the learner with curriculum materials and takes responsibility for the learner's assessment throughout the year. SACAI externally moderates these assessments.
